

Vancouver (BC), Community Snapshot September 2025

Hearing Unheard Moments (HUM) –a program of The Students Commission of Canada

Hearing Unheard Moments

Youth in Vancouver have been engaged in opportunities to share their voices on what matters to them. Here are some of the priority concerns we have heard from youth:

- Having access to and designing safe spaces.
- Social isolation and polarization.
- Social media usage.

Collaborations

SCC Programs (Ongoing)

The SCC has a strong local presence, collaborating to engage youth in programs including Art of Work and Sustainable Development Goals.

Building Safer Communities Program (Nov 2022-Present)

The SCC has been supporting the City of Vancouver's BSCP since November 2022 as the research and evaluation consultant. We've supported the development and implementation of the Youth Safety and Violence Prevention Strategy.

Make Your Mark (Oct 2025)

Youth from Red Fox Society attended the SCC's Make Your Mark conference, where they worked with youth from across Canada to put their voices into action.
